## Appendix H

### Capstone Projects

Teacher's Guide	Chapter	Page	Description
A	1	28	Create a self-portrait with one added detail representing a concept studied in the chapter and present the self-portrait to classmates.
A	2	56	Create a T-Chart about an activity, survey five people about the activity and record their responses on the chart, and then describe the T-Chart orally.
B	3	28	Illustrate and describe two pages in a mini-book about feelings. Create a cover for the book, and present the book orally to the class.
B	4	56	Create and present an illustrated mini-book that retells a familiar story, including a description of one character and the setting, and a sequence of events using sequencing words.
C	5	28	Create and label a stick animal puppet. With a partner, role-play a dialogue between two puppets that includes a greeting, self-introduction, description of appearance and/or size, and identifying something it likes to do.
C	6	56	Create and illustrate a paper plate diorama of an animal in its habitat, including a food the animal eats, and present the diorama orally.
D	7	28	Create a mobile that represents the sky at a particular time of day and describe it in an oral presentation.
D	8	56	Make and present an informational poster about one season with details about the weather, trees, clothing, and activities during that season.
E	9	28	Create a community map with three places on it; present the map and describe one of the places, what you do there, its location, and how to get there.
E	10	56	Using recycled items, students create a 3D drawing of a place or an animal and give an oral presentation.
