

English
Form 3C
Third Edition

to determine a student's writing designation and proficiency level:

1. Choose the chart below that matches the student's grade level.
2. Circle the number correct in Part 1 (0-10).
3. Circle the combined number correct in Parts 2 and 3 (0-9).
4. Find the intersection (crossing point) between the student's raw score in Part 1 and his or her Productive Writing Score in Parts 2 and 3.
5. Then see which color-coded designation and proficiency level apply to that cell in the Key and put a check mark in the corresponding box.
